Re: Funding Request for the Liberty County Chamber of Commerce

Dear Mayor Thomas & Hinesville City Councilmen:

The following is provided to formally request funding for the Liberty County Chamber of Commerce (the "Chamber"), as well as for related services furnished in connection with the same. The annual amount requested for such services is twenty one thousand dollars (\$21,000.00). Enclosed is our 2009 budget as the Chamber's budgetary process begins in late September to be adopted in December.

As you are aware, the Chamber helps both visitors and residents acclimate to life in our beautiful county. The Chamber offers relocation and informational assistance, and provides services which otherwise promote and benefit Hinesville and Liberty County (e.g. Christmas Parade, General's Reception, LibertyFest, etc.). The Chamber houses information used for dissemination to newcomers, visitors, and residents to Hinesville and Liberty County to include information referring to housing, demographics, education, rentals, government entities, as well business referrals. The Chamber also supports new, existing, and future businesses of Hinesville and Liberty County and has recently received an "Entrepreneur Friendly County" designation from the State of Georgia and their Economic Development Department. The Chamber is now in a three-year process to earn a Certified Work Ready Community designation for Hinesville and Liberty County which will ensure that we have an adequately prepared workforce to accommodate and attract new business and industry to the area. The City of Hinesville and the Liberty County Board of Commissioners and are the two sources that so graciously help fund our initiatives each year.

Since the Chamber has ventured out on its own, we have acquired many new expenses to include rent, employee benefits, and full salaries of employees. We have also grown our staff to be able to grow our Chamber as well as offer many new programs and benefits to members and residents and visitors to our community. Of course, daily operation of the Chamber is but one of the many activities of the Chamber. This year, the Chamber has recommitted itself to maximizing the benefits of membership and providing the resources and opportunities businesses in our community need to succeed. Some of the Chamber's offerings include:

- **Member-to-Member Discount Program**. The member-to-member discount program connects Chamber members to substantial savings at businesses throughout the County and offers new and innovative ways to market their business. Members gain exposure and help other businesses to take advantage of money saving discounts on both products and services. The Chamber also has worked with the Hinesville Military Affairs Committee to initiate a Deployment Discount Program to serve the spouses and families

of the deployed soldiers from Fort Stewart. Pam Haynes of the Chamber Board of Directors serves as the Chamber's liaison to this committee.

- **Business Counseling and Workshops.** The Chamber takes advantage of the knowledge and experience of our local members for small business programs, tailored to meet the specific needs of our membership. The Chamber also looks outside to other experts, colleges, and organizations to come in and lend their knowledge to our membership and community on various subjects to include Customer Service, marketing, and communications. Partnering with Georgia Southern University, the Chamber recently completed a workshop series which benefited the local business community.
- **Health Insurance Products.** Our small- and medium-sized business members remain concerned about health insurance costs. In response, the Chamber offers specially designed insurance products through Blue Cross and Blue Shield of Georgia/Blue Cross and Blue Shield Healthcare Plan of Georgia. Commonly known as "MemberCare Alliance," these products provide quality group health insurance and other employee benefit products at reduced premium rates, as well as access to benefit consulting services. Discounts on renewal premiums are also available for those member businesses that currently utilize a Blue Cross and Blue Shield group insurance plan.
- **Advocacy.** The Chamber intends to serve as a more effective liaison between its members and county, municipal and state governments, as well as our military community. Toward this end, the Chamber will provide its membership with greater opportunities to discuss public policy issues with their elected representatives, and offer more frequent updates and insight into proposed deployments and other military matters affecting our community. The Chamber also has a Governmental Affairs Committee which is chaired by Robert Stokes of Georgia Power. The Chamber plans to participate in a Washington DC legislative Fly-In in September with the City of Hinesville, Friends of Liberty, and other agencies in the community.
- **Business Referrals.** The Chamber regularly receives inquiries from people needing local business services and products. The Chamber provides an avenue for, and aids in the process of, generating business for its members. Business referrals through the Chamber consist of our present telephone referral service as well as the Chamber's on-line directory, a referral service designed to generate Internet exposure for our member businesses to help improve their bottom line.
- **Community Website.** With previous funding provided by Liberty County and the City of Hinesville, the Chamber was able to build a comprehensive, interactive website. This website is a premier source of information for the Hinesville and Liberty County area. Individuals and businesses that are moving to the area, tourists, and people who live right here in the community who are looking for products and services look first to this site. In addition to showcasing our community, the website discusses the Chamber's benefits and programs and offer valuable on-line services to its members. The Chamber has updated the site with a new software program to give Chamber Staff full control and access to updates so that community information needed to be changed or be added can be done instantly. It is critical for business and economic development that current and up-to-date information be displayed on relevant websites. This software conversion is an additional expense that the Chamber incurs monthly.
- **Leadership Liberty.** The Chamber has completed its 5th year sponsoring the "Leadership Liberty" program, which exposes present and future community leaders to the operations of our local government and other entities. This graduating class joins the Alumni Association in order to help aid and organize future programs. A goal of the previous graduating class, along with the Chamber's assistance, is to design a Youth

Leadership Liberty Program. The Chamber and community now has a sustainable program according to the Fanning Institute of Leadership.

- **Business Expo.** The Chamber partners with the Directorate of Contracting to host its annual Vendor Fair and Business Expo. Vendors from all over the United States to include local organizations attend this event to showcase products and services to the military and stay in our community while they are here.
- **LibertyFest.** The Chamber is still committed to hosting the community's Annual LibertyFest in downtown Hinesville and east Liberty County. The past event was a huge success and attracted approximately 4,000 people, locally and from around the region. The festival featured a Car Show, a Street Dance, Kayak Races, a Fishing Tournament, historical re-enactments, local and regional entertainment, food, arts & crafts, and a professional fireworks show. This is a large undertaking; however, it was well-attended and very well received by the community. We are in the process of trying to secure a more permanent and accommodating location to hold the festival so that we can offer an event bigger and better festival in 2010 and plans are already underway for the 3rd Annual event. The event will be held the 3rd weekend in July.
- **Legislative Appreciation Event.** One of the newest additions to the Chamber's Program of Work is its 1st Elected Officials Appreciation event. Slated for September 24, 2009, this event will honor all elected officials at the local, state, and federal level with a Barbecue gathering at Dorchester Preserve.

The foregoing represents only a part of the recent exciting initiatives and programs introduced by the Chamber. The Chamber also remains committed to all of its existing programs which have proven successful in the past. Whether it is providing networking opportunities and business support (i.e. Ribbon Cuttings, Business after Hours, Progress Through People Luncheons, etc.) or sponsoring various community events (i.e. STAR Student/Teacher Banquet, Christmas Parade, Christmas in the Park, etc.), the Chamber will strive to improve in all that it does and ensure that our members and community are given the benefits and advantages they need to succeed.

We ask for your continued support and invite you to call the Chamber offices at 368-4445 should you have any questions or ideas as to how the Chamber can better serve Liberty County and its citizens. Again, thank you for your support.

Sincerely,

Kenny Smiley
Executive Director
