July 26, 2010

Kimberly Ryon, CFO
City of Hinesville
115 East M.L.K., Jr. Drive
Hinesville, Georgia 31313

Dear Mayor Thomas and Hinesville City Councilmen:

The following is provided to formally request funding for the Liberty County Chamber of Commerce (the "Chamber"), as well as for related services furnished in connection with the same. The annual amount requested for such services is twenty one thousand dollars (\$21,000.00)

As you are aware, the Chamber assists visitors, newcomers, and residents with the navigation and knowledge of our county. The Chamber offers relocation and informational assistance, and provides services which otherwise promote and benefit Hinesville and Liberty County. The Chamber also supports new, existing, and future businesses of Hinesville and Liberty County as well as the workforce to support these organizations. The Chamber is now in the process to earn a Certified Work Ready Community designation for our municipalities and county which will ensure that we have a qualified, prepared workforce to accommodate and attract new business and industry to the area. Working alongside of the Georgia State Department of Economic Development, we expect to receive this designation this year and could not be more thrilled to have spear-headed this endeavor. Thank you for your continued support of the Chamber's efforts and initiatives. We are very grateful to the City of Hinesville and the Liberty County Board of Commissioners as the two primary sources that so graciously help fund this organization.

The Chamber has maintained and operated the organization under the direction of an Executive Director and an Administrative Assistant for many years. To grow the Chamber and maximize its potential for our caliber and size of a community, the Chamber has recently hired a Membership and Programs Director. This split position was designed to help recruit new Chamber Members which enhance the organization and those involved with it as well as help retain the current members. This position also implements strategies, programs, and events that benefit the Chamber and the Community. Since her hire, Genese Baker has been a true asset to the Chamber and will prove to be an asset for our community as well. Of course, daily operation of the organization is but one of the many activities of the Chamber. This year, the Chamber has recommitted itself to maximizing the benefits of membership and providing the resources and opportunities businesses and individuals in our community need to succeed. Some of the Chamber's offerings include:

- **Member-to-Member Discount Program.** The member-to-member discount program is being reconstructed and enhanced. It connects Chamber members to savings at businesses throughout the County and offers new and innovative ways to market their business. Members gain exposure and help other businesses to take advantage of money saving discounts on both products and services.
- **Shop Local Program.** The Chamber understands the obstacles and difficulties business are facing currently. To help stimulate our local economy and to help

support Liberty County businesses, the Chamber is taking the lead in tandem with the Hinesville Downtown Development Authority to establish a multi-faceted "Shop Local Program." One aspect of the planned program is an enhanced Customer Service Program to be used throughout the county to ensure that our citizens, soldiers and visitors are receiving the best service possible at local retail and service outlets as well as restaurants. Another aspect will be creating education pieces to share with the entire community on how shopping local can increase the economic health of a community. A Gift Card or Certificate Program will be created also. These cards can be purchased by individuals or companies as gifts or incentives and can be redeemed only at local, participating businesses. The Chamber's rejuvenated Member-to-Member Discount Program will be a contributor to the initiative as well.

- **Business Counseling and Workshops.** The Chamber is proud to announce a new "Workshop Series" that benefits local businesses and give them tools and training they need to succeed and prosper. The Chamber takes advantage of the knowledge and experience of our local members for small business programs, tailored to meet the specific needs of our membership. The Chamber also looks outside to other experts to come in and lend their knowledge to our membership and community on various subjects such as the Small Business Development Center, SCORE®, and Savannah Technical College.
- **Health Insurance Products.** The Chamber offers specially designed insurance products through Blue Cross and Blue Shield of Georgia/Blue Cross and Blue Shield Healthcare Plan of Georgia to medium-to-small businesses. Commonly known as "MemberCare Alliance," these products provide group health insurance and other employee benefit products at reduced premium rates, as well as access to benefit consulting services. Discounts on renewal premiums are also available for those member businesses that currently utilize a Blue Cross and Blue Shield group insurance plan.
- **Advocacy.** The Chamber serves as a liaison between its members and county, municipal and state governments, as well as our military community. Toward this end, the Chamber will provide its membership with greater opportunities to discuss public policy issues with their elected representatives, and offer more frequent updates and insight into proposed deployments and other military matters affecting our community. The Chamber also has a Governmental Affairs Committee which is under the direction of Virgil Jones, Bobby Ryon, and Robert Stokes.
- **Business Referrals.** The Chamber regularly receives inquiries from people needing local business services and products. The Chamber provides an avenue for, and aids in the process of, generating business for its members. Business referrals through the Chamber consist of our present telephone referral service, a printed Business Directory, as well as the Chamber's on-line directory, a referral service designed to generate Internet exposure for our member businesses to help improve their bottom line.
- **Community Website.** The Chamber has built a comprehensive, interactive website. This website, www.libertycounty.org, is currently receiving approximately 140,000 hits per month. This website is a premier source of information for the Liberty County area. Individuals and businesses that are moving to the area, tourists, and people who live right here in the community look first to this site for products and services they need or desire. In addition to showcasing our community, the website discusses the Chamber's benefits and programs and offers valuable on-line services to its members. The Chamber has updated the site with a new software program to give Chamber Staff full control and access to updates so that community information needed to be changed or be added can be done constantly and instantly. It is critical

for business and economic development that current and up-to-date information be displayed on relevant websites. The Chamber pays monthly fees for these services.

- **Leadership Liberty.** The Chamber will begin its 7th year sponsoring the “Leadership Liberty” program, which exposes present and future community leaders to the operations of our local government and other entities. This past graduating class created an Alumni Association in order to help aid and organize future programs. The Chamber is also a co-sponsor of a Youth Leadership Liberty Program called Young Adult Liberty Leaders (YALL).
- **Business Expo.** The Chamber partners with the Fort Stewart Directorate of Contracting as well as the local community to host an annual Vendor Fair and Business Expo. Plans are underway to hold this event in the fall and also hold the event in Liberty County instead of on Fort Stewart this year
- **LibertyFest.** The Chamber held its Annual LibertyFest this year in Hinesville at Bryant Commons after taking a year off to find a more suitable venue. The event has been a huge success and attracted approximately 4,000 people in the past, locally and from around the region. The festival features a Car Show, a Street Dance, a Fishing Derby, historical re-enactments, local and regional entertainment, food, arts & crafts, and the first-ever professional fireworks show in Hinesville. The event is held the 3rd weekend in July.

The foregoing represents only a part of the recent, exciting initiatives and programs introduced by the Chamber. The Chamber has also revived the Chamber Ambassador Program and currently has 33 volunteers spreading goodwill and “working” for the Chamber. The Chamber has also implemented quarterly New Member Breakfasts to give an Orientation on the benefits of the Chamber to new members. The Chamber is also researching a Community-Wide Marketing Program that we hope may unite the community from a Marketing standpoint. The Chamber held the *Liberty Ball*, a black-tie optional event to celebrate Liberty County’s history and featured live entertainment, food, beverages, and historic displays. This event was held the evening of May 15th. The Chamber still remains committed to all of its existing programs which have proven successful in the past. Whether it is providing networking opportunities (i.e. Ribbon Cuttings, Business after Hours, Progress Through People Luncheons, etc.) or sponsoring various community events (i.e. STAR Student/Teacher Banquet, Christmas Parade, Christmas in the Park, etc.), the Chamber strives to improve in all that it does and ensure that our members and community are given the benefits and advantages they need to succeed.

We ask for and thank you in advance for your continued support. We invite you to call the Chamber offices at 368-4445 should you have any questions or ideas as to how the Chamber can better serve Hinesville, Liberty County and its citizens. Thank you for all that you do to support your Chamber of Commerce.

Sincerely,

Kenny Smiley
Executive Director

Toby Mahan
Board Chairman
