NOTICE: (A) Separate permits are required for building, electrical, gas, mechanical (HVAC) and Plumbing systems. (B) Construction in some areas may impact wetlands and require a permit from the Corp of Engineers. Permit holder agrees to hold the City of Hinesville harmless on any construction covered by this permit resulting in construction in wetlands. (C) This permit becomes null and void if work or construction is not commenced within six (6) months of issue date or if construction or work is suspended or abandoned for a period of six (6) months at any time after starting work.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulatknng construction or the performance of construction.
