DA: July 1, 2019

## July Second Saturday Block Party

**HINESVILLE, Ga. (July 1, 2019)** – Bring the family out to Bradwell Park on Saturday, July 13 for the next installment of the 2019 Second Saturday Block Party series and join the Hinesville Downtown Development Authority for an evening of food, music, games and fun!

Back by popular demand, Karaoke with DJ Ricky Nails will be open from 6 – 8 p.m. – so be sure to come prepared to belt out your favorite songs for the crowd.

The Groove Benders will take the stage at 8 p.m. and keep the party going until midnight with all your funk, rock, R&B and dance music favorites!

Make sure you bring the kids out to play in the Game Alley! The HDDA is bringing back our best outdoor games. Attendees will be able to enjoy giant jenga, Connect 4, sidewalk chalk, bowling, ladder-ball and corn-hole! Not only that, the Kando Mobile Game Truck will be out in downtown from 6 – 10 p.m. with all your favorite video games – for FREE! For Hinesville residents that are interested in playing games on the go, the HDDA will be hosting a Pokémon Go night during this Second Saturday Block Party. Staff will set “lures” periodically throughout the evening so you will be able to wander downtown and play at the same time!

Food vendors will be onsite selling delicious eats and treats to event attendees and downtown restaurants will be open during the event. Be sure to stop and visit one of our food vendors to satisfy any late night cravings: Sho’Nuff BBQ, Maui Wowi, and Memories Made. WingStop will also host all alcohol sales for this event. **Please note: a state or government – issued photo ID will be required to purchase alcohol at this event.**

The HDDA would like to give special thanks to our sponsors for their support of this community event:

City of Hinesville  
Weichert Realtors  
WingStop  
Coldwell Banker Holtzman Realtors  
McDonald’s of Hinesville  
Biotest Plasma Center of Hinesville  
AT&T

Stop by each of their booths to see what they are doing in our community!

*HDDA MISSION: to create a sustainable, revitalized and vibrant downtown  
that is an economic hub while enhancing the quality of life for the community.*
