## NEWS RELEASE

### Sewage Spill on Thursday, December 26

**HINESVILLE, Ga. (Dec. 26, 2019)** – On Thursday, December 26, the City of Hinesville Public Works / ESG Operations, Inc. reported a sewage spill of approximately 42,000 gallons of wastewater at 241 W General Screven Way.

The spill was caused by a grease blockage in the sewage collection system near the property.

The blockage was cleared; the overflow stopped; and the area has been cleaned and limed. Additionally, the Environmental Protection Division (EPD) and Health Department have been notified.
