“Heart of Hinesville” Photography Contest for the 2020 PAFR

HINESVILLE, Ga. (Jan. 23, 2020) – Calling all amateur photographers! The City of Hinesville is preparing for its annual publication the Popular Annual Financial Report (PAFR) and we want Hinesville and Liberty County, Ga., residents to help us choose the cover for this year!

Since 2006, the City of Hinesville has published the PAFR annually as a way for citizens to receive information about the City’s annual budget, upcoming event calendar and hear from each department of topics relevant to residents. For the last 11 years, the Government Financial Officers Association (GFOA) has presented Hinesville’s Finance Department with an award for Outstanding Achievement in Popular Financial Reporting. On top of conformance with the highest standards of preparation of state and local government reports, cities who receive this award are judged on their report’s creativity, presentation, understandability and reader appeal.

To view the 2018 PAFR, please visit cityofhinesville.org/119/Popular-Annual-Financial-Report.
