HINESVILLE, Ga. (Mar. 25, 2020) – Beginning on Monday, March 30, the Hinesville Police Department (HPD) will provide prescription pickup services for eligible citizens living within the city limits of Hinesville.

To better serve our community and ease some of the stress associated with being under a Local State of Emergency, we will be offering a unique service to assist our senior citizens who depend on prescription medication, but who are having difficulty getting to their local pharmacies.

The service will begin on Monday, March 30. Eligible residents will be able to call HPD between the hours of 9 a.m. and 5 p.m. and request assistance in picking up their prescription. The service will be available Monday – Friday from Monday, March 30 through Sunday, April 5, unless otherwise amended, extended or cancelled by the Chief of Police.

To be eligible for this service you must:

1. Be at least 65 years of age OR disabled OR have primary immune deficiency (weakened immune system) OR similar condition.
2. Reside within the city limits of Hinesville.
3. Present a valid government photo ID.
4. Have been notified by your local pharmacy that your prescription is ready and paid for.
5. Must be at home to accept the delivery.

All requests will be screened, and some exceptions may be made. At this time, we are only providing this service to those pharmacies that offer a drive-thru window. These pharmacies are:
