**The City of Hinesville Breaks Ground  
on the New HFD Fire Station One**

**HINESVILLE, Ga. (February 16, 2022)** – The City of Hinesville, Hinesville Fire Department & local leaders celebrated the groundbreaking ceremony for the construction of the new HFD Fire Station One.

The new 17,000 square foot fire house and 5,500 square foot administration building will replace the existing Fire Station One, located on Liberty Street. The architecture of the new brick building was designed to fit with the aesthetic of the downtown, and to fit the staffing and equipment needs of the Hinesville Fire Department.

As Mayor Allen Brown praised the HFD for all of their hard work and dedication he stated, “This will be a First-Class facility, which is only fitting for our First-Class Fire Department.”

The project will be funded utilizing City SPLOST funds. For more information, visit [www.cityofhinesville.org](http://www.cityofhinesville.org)
